

# Special Clinic Opportunity

## Brought to you by the Area VI Adult Riders: 'Will at Woodside'

Will Faudree jumping/xc clinic, June 19/20, 2010  
All levels welcome!

Will Faudree was born on October 4, 1981 in Midland Texas. He grew up on a cattle ranch, learning to ride at a very young age. When he was about thirteen he became interested in eventing, and started to compete. After graduating high school, Will moved to Pennsylvania to ride and train with Phillip Dutton. In 2003 Will set out on his own and moved to Southern Pines, North Carolina with his dog, Kemper, where Gavilan Farm is currently based. Will also competed in the Pan American Games that year. The team won a gold medal. The following year, Will was named the traveling reserve for the Athens Olympic Team.

With the continued support of friends and family, Will's career as an Equestrian continues to grow. He represented the United States once again by riding on the US team at the 2006 World Equestrian Games in Aachen, Germany, and is working towards riding for the US Team in future international competitions. Will recently completed Rolex aboard Pawlow!

Cost of Two Day Clinic: \$275 plus stabling (stabling is \$25 per day) for Adult Riders  
\$325 plus stabling for non-members of the Adult Rider program

Day One will focus on stadium jumping and gymnastics, Day Two will focus on cross-country jumping.

Please note, priority for this clinic will be given to Area VI Adult Riders. Others may attend the clinic as space permits. Please go to [www.areavi.org](http://www.areavi.org) to download the application form or contact Dawn Robbins as soon as possible to reserve a spot!
